Marks: 20 (weighted to 10)

Answer all questions. Make sure to CIRCLE AND UNDERLINE the answers clearly:

1. Which of these best captures the distinction between Kantian ethics and utilitarianism

- a. Kantian ethics is grounded in a theory of the good, with the right derived from the good, whereas utilitarianism is grounded in a theory of the good, with the good derived from the right.
- b. Kantian ethics is grounded in a theory of the right, with the good derived from the right, whereas utilitarianism is grounded in a theory of the good, with the right derived from the good.
- c. Kantian ethics is grounded in a theory of the good, with the good derived from the right, whereas utilitarianism is grounded in a theory of the right, with the right derived from the good.
- d. Kantian ethics is grounded in a theory of the right, with the right derived from the good, whereas utilitarianism is grounded in a theory of the good, with the good derived from the right.

2. The following three steps capture the essence of which ethical framework?

I. Carefully describe the rule.

II. Imagine what a society would be like if just about everyone in it endorsed the rule.

III. The ask this question: will that society be better off with this rule than with any competing rule?

- a. Kantian ethics
- b. Deontological ethics
- c. Rule-utilitarianism
- d. Act-utilitarianism

3. According to Kant, moral laws are

- a. necessary and apply to all rational beings.
- b. contingent and apply only to human beings.
- c. necessary and apply to all beings.
- d. contingent and apply to all beings

- 4. According to Kant, the only thing that is good without qualification is**
- a. free will.
 - b. character.
 - c. wisdom.
 - d. a good will.
- 5. What are the two criteria for a maxim to be universalizable?**
- a. free-will and good-will
 - b. reason and duty
 - c. moral law and rationality
 - d. consistency and fairness
- 6. In Kant's terminology, a maxim is**
- a. a principle on which one acts.
 - b. a moral duty.
 - c. an action that brings about the good in humanity.
 - d. an action that everyone agrees upon.
- 7. Kant claims that the dictates of morality are**
- a. contractarian imperatives.
 - b. hypothetical imperatives.
 - c. categorical imperatives.
 - d. consequentialist imperatives.
- 8. According to the Kantian principle of humanity, one must treat humanity**
- a. with respect and humility.
 - b. never simply as an end, but always at the same time as a means.
 - c. always as a means to an end.
 - d. never simply as a means, but always at the same time as an end.
- 9. Kant claims that the moral law is given to each person by**
- a. society.
 - b. one's own will.
 - c. God.
 - d. nature
